For injections, we recommend a mixture of water and Antifungal agent for (eg Milton) to sterilize water and reduce mildew forming.

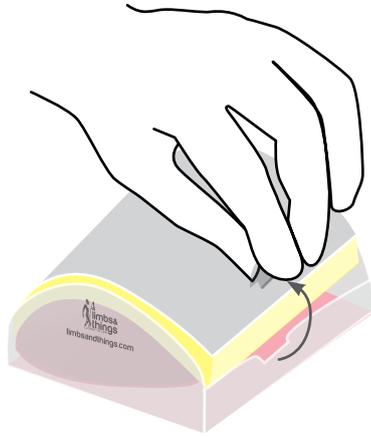

Ensure the product is dried after use and before storage

## USAGE AND STORAGE

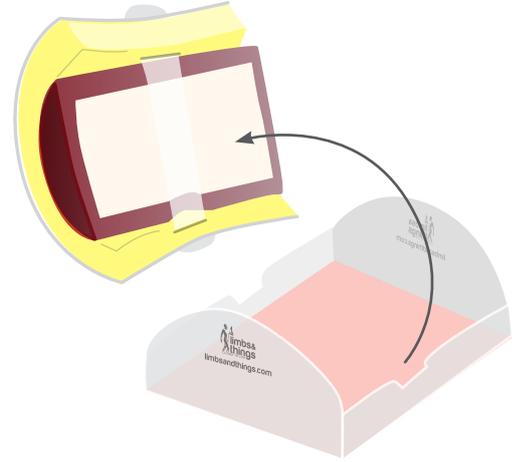

1

Unclip one end of the retaining strip

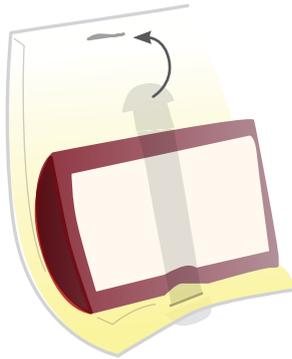

2

Now unclip the other end and lift the Skin Pad and Muscle Block away from the Tray

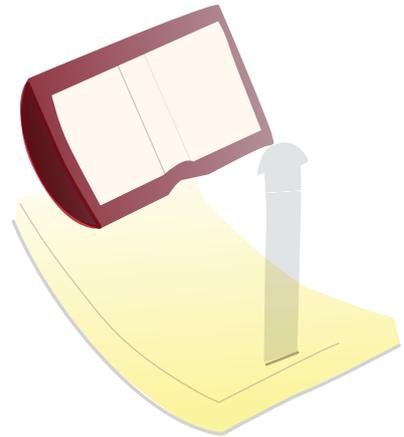

3

Carefully remove one end of the retaining strip from the slit in the Skin Pad

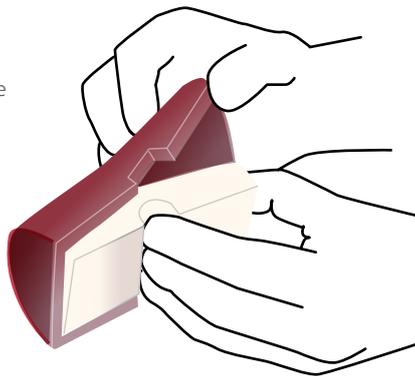

4

Put the Skin Pad and attached retaining strip to one side

5

Remove the sponge from the inside of the Muscle Block

6

Squeeze the sponge to remove any liquid and allow it to dry naturally
