SAFETY & CLEANING INSTRUCTIONS

READ THE SAFETY INSTRUCTIONS CAREFULLY BEFORE USING YOUR VENIPUNCTURE ARM

DO's

Follow all instructions. Keep these instructions. Heed all warnings.

Only use simulated blood supplied with this product. Use of non-recommended fluid products may weaken or damage the simulator.

Wear gloves at all times and remove all jewellery items. Sharp surfaces such as finger nails and rings can lead to damage of silicone parts.

Only use water-based lubricant.

Clean the product with a damp soft cloth or sponge, using only warm water with mild detergent, after every training session.

DON'Ts

Do not install near any heat sources, do not expose the product to flames or use near naked flame sources. Do not use flammable solvents near or on this product.

Do not set up the product near electrical appliances or items damaged by water.

Do not wear any jewellery items.

Do not disassemble the product or attempt to repair a faulty unit, please return the product to Limbs & Things for assessment and repair.

Do not leave the product filled with blood when putting into storage.

STORAGE & TRANSPORTATION

Always ensure that the products are properly packed and secured during transportation and storage in order to prevent personal injury or damage to the product.
